

Kindergarten Learning from Home Activities

Week beginning: 6th July 2020

Daily Maths Tasks

- Continue to look at the calendar and sing the days of the week song from the previous week, talking about the day today, yesterday and tomorrow.
- Continue watching [Numberblocks](#) in order. Talk about what happened in the episode. (What numbers did we learn about? Can you show me that many fingers? etc)
- Go back to number 1 for 'Number of the Day.' How many different ways can you show that number? Counting out pieces of lego/objects/ writing the number/using tally/fingers etc. Practise counting out that number of objects, saying one number name for each object and then putting them in a line to touch count them and check.
- Can you lay the table in your house? How many cups, plates, knives, forks and spoons do you need? Can you make sure everyone has one?
- Continue the daily activities on [ToDo Maths](#) app.
- Practise counting confidently upto 20 with these songs.

Daily English Tasks

Reading

- Every day spend at least 15 minutes reading together. This could be you reading a story/magazine/information book to your child or your child telling you a story from pictures in a book. Talk about new words or more difficult words you think your child might not know the meaning of.
- Monday, read through Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Help your child to learn the Kindergarten nursery rhyme off by heart, if they don't already know it. Maybe you could film them performing it and send it to a member of staff or family member to brighten their day!
- Listen to the story, '[The Tiger Who Came to Tea.](#)' If you could choose any animal to turn up at your house for tea, what animal would you choose? Why? Tell a grown up.

Writing

- Can you make an invitation for one of your friends to meet with you and a grown up for a social distance picnic? Remember the social distancing rule!

Phonics

- Practise these [letter sounds](#) this week. Recap the previous, [Week 1](#), [Week 2](#), [Week 3](#), [Week 4](#), [Week 5](#). Be sure to pronounce them exactly as they do in the video! You can also view this [pronunciation video](#) included on our website. Can you find other objects around the house or out and about beginning with these sounds? For further phonics games etc, please see additional resources below.

Daily Curriculum Task

Physical Activity

Monday	Ask a grown up to collect some objects for you. Can you tell them what they are used for and which room in the house they belong in?
Tuesday	Make a tiger from a cardboard tube. Can you explore making the colour orange? What colours did you need?
Wednesday	Can you make some cakes or sandwiches for an afternoon tea or to take on your picnic with your friend?
Thursday	Design a teapot . Think about the colours and patterns you might use.
Friday	Can you find out some interesting information about tigers with a grown up? You may need to use the internet.
