## Daily Maths Tasks

- Continue to look at the calendar and sing the days of the week song from the previous week, talking about the day today, yesterday and tomorrow.
- Continue watching [Numberblocks](#) in order. Talk about what happened in the episode. (What numbers did we learn about? Can you show me that many fingers? etc)

## Daily English Tasks

### Reading

- Every day spend at least 15 minutes reading together. This could be you reading a story/magazine/information book to your child or your child telling you a story from pictures in a book. Talk about new words or more difficult words you think your child might not know the meaning of.
- Monday, read through Poem of the Week (this can be found on the school's Twitter page – link is [here](#)). Help your child to learn the Kindergarten nursery rhyme off by heart, if they don't already know it. Maybe you could film them performing it and send it to a member of staff or family member to brighten their day!
- Ask a grown up to read the story of The Gruffalo with you if you have it. You can also watch '[The Gruffalo](#)' on BBC iplayer.

### Writing

- Make a memory jogger of The Gruffalo story. Retell the story to a grown up.

### Phonics
